In an age of fake news, ever-expanding platform propaganda and conspiracy theory, as well as purposeful political deception and corruption... one has to cry out: Wake up! Truth and reality are endangered species! Here's my cry!

Fake news, alternative facts

What's behind that damn mask?

When truth itself is under attack:

Government or Media: who do you trust

With the password: *Ratings or Bust?*

So, VAX or not, stolen elections

Sly as a FOX disinformation...

When did 1/6 insurrection

Become old news historical fiction?

Should you buy, when to sell

When to say, Go to Hel-sinki!

(Or when to flip that flying pinky).

It's back to '84, do pray tell

Who wins out... Steven Jobs or George Orwell?

So, do not ask for whom the smart phones toll

"As 3 'G' Reality Turns" to textual harassment:

Ghosting, Gaslighting, and Grooming... Oh, my

All is allowed in the deep web's viral basement!

Still, *Hark the Herald Angels Sing*

For a next generation "Lord of the Ring

Someone to smooth over that climate thing...

(Wait... how about a holographic Rachel Carson dead celebrity roast?

The obvious theme: *Silent Earth as Way Burnt Toast!*)

But first, what's our latest original sin:

Kissing the ass of Joe Manchin

Or craving McLuhan's distraction and din?

Worshiping the Tower of Techno-Babel

It's confession time: Who has not taken a fleshy bite

From that Siren-shiny brand-new Apple!?!

With so many blind with rage

Filled with "Liberty Right or Wrong" rancor

Don't let sneaky FOXes eat your lunch

Block that smug smile "Tucker Punch":

A silent stare with a razor wit counter

Pops the ballooning EGO banter.

Now for that aggressive "Naked Emperor"

Threaten the Trump card - "Go to *Me Too* Jail."

Caveat Emptor!... Just remember, whatever it takes

Take the blowhard wind from a toxic male.

And finally, a Stress Doc anchor for any age

That defies right-wing/left-brain bravura

Even if not on the same page

Consider this Wise Man/Wise Guy Mantra:

Strive High, Embrace the Fail

Gaze into that Deep Blue Mirror

Don't Forget - Save the Analog Whale

While Questing for the Holy Braille

Finding Your True Voice Amidst the Furor!
